Samuel Pepys wrote a diary that tells us what it was like during the fire.

Who were the significant people?

These people were around at the time of the Great Fire of London, and they all played an important part in it. You will find out more about them in your lessons.

- **Thomas Farriner**, a baker. The fire started in his bakery on Pudding Lane.
- The **Lord Mayor** of London decided how the fire should be put out.
- **Samuel Pepys** wrote about the events of the Great Fire of London in his diary.
- **King Charles II** was the monarch at the time of the Great Fire. He made important decisions about how to stop the fire from spreading and how the city should be rebuilt afterwards.
- **Christopher Wren** was an architect involved in the planning, designing and building the new city after the fire.

What was it like in London in the 1600s?

A painting of London showing what it looked like before the fire.

People travelled by horse and carriage

London was much small with narrow, winding streets

King Charles II was monarch at the time. He ordered the houses to be pulled down.
