

Winter

It is really cold in the winter...

**It is too cold for some birds so they
fly away to warmer countries!**

**Cats and dogs grow extra fur
so they can stay warm...**

**Some animals even sleep
throughout the whole of winter and
then wake up once it is warm
again!**

In the winter it can be very windy...

and very rainy!

**Sometimes hailstones
can fall from the sky...**

and sometimes it's icy.

Sometimes it's frosty in the morning...

and sometimes it snows!

**To keep ourselves warm,
we wear thick clothes.**

To keep houses warm, we light the fire or turn on the heating system.

In the winter, it is dark because the sun rises later and also sets earlier.

**In the summer, the sun rises
earlier and sets a lot later.**
