Dear Parents and Carers

Year 4 Remote Learning

We will post a SWAY link each day for the Year 4 Learning on Class Dojo and the school Website.

<https://www.kingshurst.solihull.sch.uk/>

On the home page click on the following tabs –

- 'Home Learning' 
- Click the Year 4 Remote Learning **Rainbow** Icon

- Click the current date for Year 4 work, this will look like this

'06.01.21 Year 4 Home Learning'

Some lessons on the Sway may have two different activities which are split into groups, Red Group and Blue Group. Your class teacher will let you know which group is most appropriate for your child to access.

Year 4 will use the following websites to support with home learning.

- White Rose Maths - <https://whiterosemaths.com/homelearning/year4/>
- Times Table Rockstars <https://trockstars.com/>
- You tube activities as per timetable

Maths

Each day, the children will be required to complete a Maths activity. This will follow on from our 'White Rose' learning scheme used in school.

There will be a short video clip (for the children to watch) and some activities based on the learning from these videos.

Literacy/Reading

The children are also required to complete a daily Literacy based task (spelling, grammar, handwriting) and a piece of creative writing, weekly. Additional instructions for these tasks will be set out on the Year 4 remote learning Sway.

Most days, the children are expected to complete a reading based task, such as vocabulary work, retrieval of key information and comprehension.

Other Curriculum Learning

Afternoon sessions will consist of lessons such as PE, Topic, RE, Spanish and PSHE. Further information about these will be found on the daily sways.

Each day there is an expectation that the children will need to:

- *Read with an adult, with a sibling or alone, if they wish.*
- *Engage daily with school timetable activities*

Throughout the Year 4 bubble closure in the autumn term, we really enjoyed viewing work and photographs submitted. Where possible, please continue to do this. In a couple of weeks, we will be making welfare phone calls. However, if you are experiencing any difficulties before this, please do not hesitate to contact us and we will help you in the best way we can.

The easiest way to do this is via our Class DOJO – please ensure you are connected. If you are having problems with this, please let us know via the school office and we will look into this for you.

If you have any questions about this, please contact your child's class teacher via Class Dojo or through the school office 0121-788-6510 or the school contact form on this link: <https://www.kingshurst.solihull.sch.uk/contact-details/>

Thank you for your continued support.

The Year 4 Team
