

Self-Isolation Information

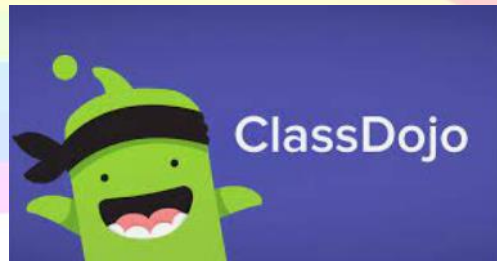

Early Years – Summer Term

You are receiving this information because you have a child who is required to self-isolate. The majority of the class are still in school at this time, this means your child's teacher will be teaching pupils in school. To enable your child to continue their learning, we will provide them with work they can complete at home. We recognise that members of your household may be unwell so please do not worry if it is difficult to do all the tasks – your child can just do what they can.

An isolation pack of work is available from school for you to collect from the first day of isolation, this contains work linked to your child's year group. If it isn't possible for you to collect, we can arrange to send it to you.

Tasks will be assigned using our school subscription sites. Work set will be matched to your child's individual needs. All children have individual logins for these sites, please contact your child's teacher via classdojo if you need any passwords or logins resending. We have also provided a schedule of online lessons linked to the EYFS Curriculum.

If you do not have access to a device at home, the school can loan you a device to use during the self-isolation period. Please let us know if this is the case – we will organise for you to have use of a tablet to access online work and you will be required to sign a loan agreement. Devices borrowed must be returned on the first day your child returns to school.

White Rose Maths (Home Learning): <https://whiterosemaths.com/homelearning/early-years/>

We will send you the link to the relevant day's / weeks work

Phonics: Read, write inc. lessons will be sent to you via a link on Class Dojo. If your child has 1-1 tutoring, we will set up a Teams Link with you via Class Dojo

Reading (Oxford Reading Buddy):

Children should access the reading platform daily – here they have access to high quality texts at their own level. Your child's teacher will be able to see what books have been read.

We will send you further information and links to lessons that link to the themes we are covering in class.

Children will receive invitations to social sessions where they can join in with a story and see their friends. Children with additional needs may be sent additional links via classdojo. Children will also be sent specific activities linked to mental health and wellbeing, spellings and/or phonics work. Any work should be returned to school after the end of the isolation period. Teachers will respond to messages via classdojo but please be mindful that they are teaching in school during school hours but will aim to respond within 24hours.
