

Self-Isolation Information

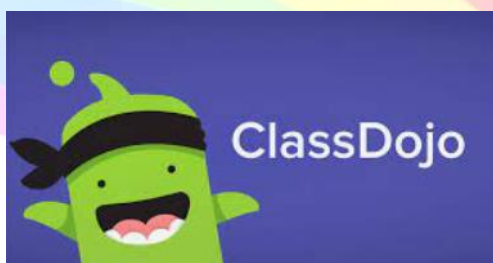

Year 5 – Summer Term

You are receiving this information because you have a child who is required to self-isolate. The majority of the class are still in school at this time, this means your child's teacher will be teaching pupils in school. To enable your child to continue their learning, we will provide them with work they can complete at home. We recognise that members of your household may be unwell so please do not worry if it is difficult to do all the tasks – your child can just do what they can.

An isolation pack of work is available from school for you to collect from the first day of isolation, this contains Maths and English work linked to your child's year group. If it isn't possible for you to collect, we can arrange to send it to you.

Tasks will be assigned using our school subscription sites. Work set will be matched to your child's individual needs. All children have individual logins for these sites, please contact your child's teacher via classdojo if you need any passwords or logins resending. We have also provided a schedule of online lessons linked to the Year 5 Curriculum.

If you do not have access to a device at home, the school can loan you a device to use during the self-isolation period. Please let us know if this is the case – we will organise for you to have use of a tablet to access online work and you will be required to sign a loan agreement. Devices borrowed must be returned on the first day your child returns to school.

Maths (MyMaths):

It is important that your child completes the lesson first and then the task. Your child can also click on 'scores' and attempt previous tasks. New questions are generated to encourage multiple attempts in order to improve. They can also play a variety of Math based games.

Click here to login!

You can access information and support by clicking on the link below:

<https://www.mymaths.co.uk/support-for-parents-and-carers.html>

Your child can also use TTRS to practise their Times Tables. This can be accessed by clicking on the image...

Reading (MyON):

Children should access the reading platform daily – here they have access to high quality texts at their own level. Your child's teacher will be able to see what books have been read. There is an option to complete questions about the text, complete pieces of writing and do a book review.

RENAISSANCE

myON

SCHEDULE OF ONLINE LESSONS:

Day	Subject	Online Lesson Link and Focus:

	English	Exploring pronouns
	Music	Understanding pulse
10	Maths	Division with remainders
	English	Exploring relative pronouns
	P.E	Games activity - Developing agility and balance

Online lessons can be completed in your home learning book. If possible, please try to share your work with your class teacher using classdojo.

Children will receive invitations to any whole school assemblies and children with additional needs may be sent additional links via classdojo. Children will also be sent specific activities linked to mental health and wellbeing, spellings and/or phonics work.

Any work should be returned to school after the end of the isolation period. Teachers will respond to messages via classdojo but please be mindful that they are teaching in school during school hours but will aim to respond within 24hours.
