

Year 6 Newsletter September 2023

Welcome to Year 6!

We hope you have all had a lovely time over the summer and are looking forward to starting the new school year. Working together we will ensure that our children have the best opportunities to achieve their full potential. Along the way we will also ensure we have lots of fun and provide the children with some lovely lasting memories.

Attendance

Attendance is always a high priority. It is extremely important that your child attends school every day, on time. We have lots of incentives in school for good attendance, these include individual class rewards, money for the class money box, non-uniform days and extra reward time. We really appreciate your support with this, missed school days do have a significant impact on your child's progress. Remember, we do have a FREE breakfast club every morning. Doors open at 8.10am and close at 8.30am. You do not have to book a place, just turn up. All children can have breakfast at the club and it also means they are in school on time for the start of the day.

Class Dojo

Class Dojo will continue to be our main way of contacting you and informing you about things that are going on in school, so please check this regularly. It is also the easiest way to contact your child's class teacher.

Reading

It is really important that children are reading regularly. Please support and encourage your child to read at home as often as possible. There are incentives and prizes in school to reward their progress in reading.

Uniform

Pupils have returned to school looking smart and wearing the correct uniform. Please ensure your child continues to wear the correct uniform and appropriate footwear in line with the uniform policy. On PE days, children are required to wear a plain white t-shirt, navy or black shorts or tracksuit bottoms. When there are changes to PE days, you will be notified via Class Dojo.

Curriculum

During our Autumn term, there will be lots of exciting units of work for the children to learn about.

English	The Arrival & Macbeth
Maths	Place Value, four operations and fractions including arithmetic and reasoning skills
Reading	Key reading skills: Prediction, inference, summarise, vocabulary, explain, retrieval
Spelling	Spelling list will be given out on Friday with a test the following week.
