

Subject Summary—The profile of foreign language around Kingshurst Primary School is becoming more prevalent across Key Stage 2. Moving forward, we want to foster pupils' curiosity and deepen their understanding of the world by celebrating National European Languages Day. This is a fantastic opportunity for pupils to attend Spanish Flamenco and music workshops, taste Spanish cuisine served for dinner and express themselves in another language. We want pupils to communicate with increasing confidence, fluency and spontaneity.

MER (Monitoring, evaluation and review)

Monitoring demonstrates

- Clear progression of skills and expectations.
- Spanish folders are design to demonstrate and showcase the progression of skills taught and learnt.
- End of unit 'Puzzle it Out' quizzes are design to consolidate teaching and learning; as well as provide staff with opportunities for AOL and AFL.
- Work is evaluated to an increasingly high standard.

Next steps

- Continue to provide CPD opportunities to aid staff to build confidence in teaching skills.
- Consider how children can continue to evaluate their learning journey to a high standard.
- Discussions to be had around the use of Spanish dictionaries in school and how frequently they are used.
- Discussions to be had around Spanish vocabulary books for pupils as an ongoing resource.
- Liaise with the Geography coordinator regarding cross-curricular link between foreign languages and geography units of learning.
- Liaise with the Geography/Computing coordinator regarding a pen pal opportunities in Europe.

Pupil voice

Pupil interviews and questionnaires are a significant tool to providing the subject coordinator with school improvement plans and steps. Pupils at Kingshurst Primary School always want more teaching of foreign language in school.

Staff Voice

Feedback from staff regarding the new Spanish SOW is that it is positive and purposeful. Staff continue to show enthusiasm when teaching foreign languages..

Assessment

Knowledge organisers are displayed in each classroom. Updated during teaching time, these are used as a constant resource during the unit of teaching.

Pupils and teachers are able to reflect back on the teaching and learning throughout that unit. The build up/progression of knowledge is displayed on the organiser as a celebration and a perfect AOL, AAL, AFL tool.

Evidence on the knowledge organiser is to be filed into Spanish folders under the unit of teaching covered. End of unit 'Puzzle it Out' quizzes are also to be completed to assess pupil progress.

CPD opportunities for self and staff

- Online whole school training is accessible via the Primary Languages Network virtual portal. This includes pre recorded versions.
- Free language upskill app is available for staff to develop competency in teaching a foreign language.
- Virtual conferences are held to support confidence, planning tools and retention of a foreign language.
- The subject coordinator promotes all of the above and supports staff with access to the SOW and teaching ideas.

Links to SMSC / BV

- Pupils are exposed to a spiritual, moral, social, and cultural development across the units of teaching.
- Pupils are provided opportunities to deepen their understanding of the world and where this fits into our society.
- Pupils are encouraged to take responsibility of their independent learning journey. This is supported with the interactive, progressive knowledge organiser.

SDP priorities for Summer term.

- Continue to raise the profile of Modern Foreign Languages at Kingshurst Primary School.
- Audit Spanish knowledge organiser displays to ensure the subject coordinator's expectations are being met.
- Continue to offer support to staff in building confidence to teach new skills. This includes relevant and appropriate CPD opportunities.
- Confirm details with external agencies for a whole school workshop/ Spanish day celebrating National European Languages Day (26/09/21).
