12th February 2021

Dear Parents and Carers,

Some time ago, we asked for your input on our new school values and we also did some work in school with the children to ascertain which values are important to them. We have also had input from all staff and Governors.

Despite the delay with this due to the ongoing pandemic and disruption, we have finally agreed, adopted and launched our new values. These are outlined below:

Next half term, we will be developing the children's understanding of our school values and allow them to understand what they mean to them. We will expect all members of our school community to display these values at all times.

You may have noticed that we have recently changed our school logo. I have attached the new design below which also showcases our new values.

We intend to transfer the new logo onto school uniform sold in the future. However, any uniform with the current logo on is still acceptable for children to wear. This transition will take form over the next year or so.

Finally, I would like to thank all parents and carers for the magnificent support and dedication you have all given to your children's remote learning. The work submitted each day is truly fantastic. We are all really proud of the children for their efforts.

I hope you all have a fantastic half term and we all hope to see the children return to school very soon.

As always, as soon as I receive any information, or are in a position to make any plans, I will inform parents and carers immediately.

Have a well-deserved break next week. Remote learning and the in-school provision for children of key workers and vulnerable children will resume on Monday 22nd February.

Please take care of each other and stay safe.

Yours sincerely,

Miss Hunter

Headteacher
