01st November 2020

Dear Parents and Carers,

Following last night's announcement, that a national lockdown will be in place from Thursday, I wanted to remind all parents and carers of the importance of following the restrictions and measures in place due to the rise in Coronavirus cases currently.

We are awaiting further guidance and will implement anything required once this is received. We will be reviewing the collection times across the year groups to see if there is any way of reducing the amount of adults on the school grounds at any one time as this is our busiest time and the hardest to manage.

I know some of you will be concerned that schools remaining open still poses a risk and I do understand those concerns. We will adhere to all advice given and I can assure you that we have implemented every measure within the guidelines and regularly review this. We will adapt as needed and continue to put the safety of all children and staff as our first priority.

Please support us by:

- ensuring you all wear a mask or face covering on our school grounds,
- getting a Coronavirus test for anyone in the household displaying symptoms of Coronavirus,
- not sending children to school if **anyone in the household** has symptoms of Coronavirus,
- following the current rules as set by the Government.

The children have settled back into school and are making good progress within the recovery curriculum we are delivering. They are happy to be back in school and have shown great resilience when facing new routines and changes. I have no doubt they will continue to demonstrate this resilience and adaptability throughout the next half term.

I will keep all parents and carers updated on any further changes that may be needed in the coming weeks.

Myself and all school staff are looking forward to welcoming the children back to school tomorrow for the second half of the Autumn term.

Yours sincerely,

Miss Hunter
