23rd October 2020

Dear Parents/ Carers,

Thank you for all of your support this half term, there have been many changes and I am really grateful for the support you have all given to ensure we can implement the new guidelines effectively. We do have to be strict with these so thank you for your understanding if we cannot accommodate all requests.

Parent Consultations
Parent consultations were completed this week and the attendance overall has been good with positive feedback. Thank you for taking the time to speak to your child/ren's teachers. I hope you found this to be a good opportunity to find out how your children have settled into their new class. If you missed your appointment or have not had chance to have this meeting with the teachers for any reason, please contact school to make a phone appointment for after half term.

Facemasks
Please ensure you wear a mask or face covering on the school grounds at all times. Thank you to all parents and carers who have supported this over the last few weeks to keep all of our families and staff as safe as possible.

Drinks and Snacks
A reminder that children are only allowed water in their water bottles and only fruit is permitted in school as a snack. (This does not apply to any child with a medical care plan and this will be discussed on a case by case basis.) Please support the healthy school agenda to ensure our children do not consume a high quantity of sugar. If your child brings their own lunch, please make sure it is a balanced lunchbox with minimal sugary food. We will send out more information to support parents with this after half term.

Please connect to our School App which is linked to our new website and we will be sending newsletters and school information. This has replaced our text service.

https://theschool.app/

Our school website https://www.kingshurst.solihull.sch.uk/ has lots of information for parents and children to access.

I hope you all have a restful and pleasant half term.

Yours sincerely,
Miss Hunter
Headteacher
