2nd October 2020

Dear Parents/ Carers,

It has been a busy half term so far and I am pleased to say that the children have settled into the new routines and adapted very well. I am really proud of how all of the children have returned with such positivity and I am enjoying seeing the excellent work they are producing.

Lunchtime
We now have sports coaches from Central Sports Coaching with us every lunchtime. They provide different games and activities for each year group from years 1-6. The children are really enjoying these structured activities. All of the coaches are extremely positive about the children's behaviour and they have also commented on how polite and respectful our children are.

Parent Consultations
Parent consultations will be completed via phone calls this term during the week beginning 19th October 2020. Your child/ren's class teachers will send you a separate letter in order for you to book your appointments. The purpose of these meetings is to discuss how the children have settled into their new classes.

Face Masks and Coverings
Please ensure all adults wear a mask or face covering on the school grounds. Visitors will not be permitted into the reception area without a face mask or covering. If you are not wearing one, you must not enter and wait outside.

Car Park
Please do not walk through the staff car park. There is a path for your use, and staff do enter and exit throughout the day. This is for the safety of everyone.

Class Dojo
It is fantastic to see so many parents and carers connected to Class Dojo. If you haven't already, please contact school with your email address so we can send you an invite. We will share children's work, letters and messages on here and it is a quick and easy way for you to contact teachers and for them to contact you.

Website and APP
We are currently in the process of launching our new school website and school APP. This will be a more interactive way to access information and home learning. The APP will replace the text messaging service and we will send out texts and letters via this APP. It is important all parents sign up to this please to ensure they receive all information. You should have received a link to download the APP.

See our new website here:

We will continue to add information over the next few weeks as we complete the transition to the new site.

We do have a school Facebook page and also school and year group Twitter accounts, which you can find on the website under the social media tab.

School Entrance
Our impressive new reception area has now opened which gives a more welcoming environment as you enter the school. Please remember to follow the rules above if you need to enter this area for any reason. Only two adults at a time will be permitted and you must wear a face mask. Please only use this area if absolutely necessary. Unfortunately, we are still not permitting parents inside the school building due to current restrictions.

Coronavirus Guidance
Please remember to follow the guidance should you or a member of your household display symptoms of Coronavirus. All members of the household must not attend work or school until a test has been completed and a negative result received. The latest advice can be found here: https://www.gov.uk/coronavirus?gclid=EAIaIQobChMI9_GujIOW7AIVCIBQBh0RsAh5EAAYASAAEgLsAfD_BwE

Once again, I want to say a big well done to all of the children for working so hard and for displaying positive attitudes. The staff at Kingshurst have been working incredibly hard to ensure the children are receiving the education and care they need to settle back into school successfully. Finally, thank you to all of our families for your support since our return in September and for adapting to the changes implemented to keep everyone as safe as possible.

Yours sincerely,
Miss Hunter
