

Subject Summary - At Kingshurst, Our PE curriculum aims to develop physical skills such as co-ordination, speed, balance, strength & stamina but also focuses on developing mental/emotional characteristics such as leadership, resilience, respect, determination, and team work. We use Primary PE Planning which allows for a progression of skills from an early age. We implement engaging and challenging lessons that inspire every child and ensure that our PE is fully inclusive of all pupils needs. We are a member of the School Games programme and continue to participate and be successful in competitions.

Staff Voice

Staff survey to be carried out in Autumn Term

Links to SMSC / BV

- Children encouraged to think about leading a healthy lifestyle and understand importance of physical fitness.
- Children develop skills working independently and as part of a team, collaboratively.
- Develop social skills, leadership, fair play, turn taking, supporting others.
- Children encouraged to learn in steps and evaluate their own progression.

Assessment

Children self assess at the end of each PE lesson.

Teacher judgement to decide which children are exceeding and which need extra support.

CPD opportunities for self and staff

- Staff Meeting to recap Primary PE Planning and expectations in PE.
- Use of external sport coaches to up level teacher PE skills and confidence.
- External CPD opportunities for Subject lead and staff as identified by survey and staff meeting.

SDP priorities for Autumn term.

- Subject Leader to observe teaching practice.
- Carry out staff survey
- Identify areas of CPD required and offer support to build a staff confidence in teaching PE.
- Consider how we can identify pupils who are not on track or engaging.
- Increase variety of after school clubs offered.
- Arrange for internal and external competitions to showcase skills and encourage engagement (fully inclusive of all abilities)
- Arrange for external sports visitors and trips.
