

KINGSHURST PRIMARY SCHOOL BREAKFAST CLUB

As breakfast is the most important meal of the day, Kingshurst Primary School run a Breakfast Club each morning. Eating breakfast can give children a good start to the day and can boost their concentration levels.

Breakfast Club is open to all children in **Nursery to Year 6** at our school, and available from 8.00am where the children have a nutritious filling breakfast **FREE OF CHARGE**. This includes a choice of the following:

Bagels with butter/spread
Cereals
Drinks

We like to make Breakfast Club an enjoyable and relaxing experience before school and we expect good behaviour and manners from ALL children. Failure to do so will mean that your child will lose their place at Breakfast Club.

If you would like your child to attend, simply come to the side hall doors each morning at 8.00am where your child will be greeted by a member of Breakfast Club staff.

(There is no need to book a place, you can just turn up!).

Many thanks

Mr McCarthy
Kingshurst Primary School Breakfast Club
