

Meet Oakley – The Flourishing Futures Mascot!

Oakley the Acorn is the friendly face of the Flourishing Futures Programme, inspiring pupils across Prosper Together schools to grow, thrive, and achieve their full potential. Oakley represents growth, resilience, and the exciting possibilities ahead for every child.

Oakley is...

- **A Symbol of Growth:** As an acorn, Oakley symbolises the beginning of a journey, showing how small steps can lead to mighty achievements—just like an acorn growing into a strong oak tree.
- **A Cheerful Learner:** With a graduation cap and glasses, Oakley embodies a love for learning and curiosity, encouraging children to dream big and embrace challenges.
- **Energetic and Fun:** Oakley's red trainers and playful personality remind pupils to stay active, adventurous, and engaged in every opportunity they take part in.
